STINGERS HOST CARLETON

This Saturday afternoon (October 2nd) at the Concordia University Athletic Complex, the Concordia Stingers host the upstart Carleton Ravens in an OQIFC league game. Kick-off time is 2 p.m.

Last year the Ravens were 1-6 in league play including a 43-3 loss to the Stingers in the season finale in Ottawa. However, new coach "Ace" Powell has Carleton playing improved football this time around, as their victory at Queen's two weeks ago will attest.

The game is a must for the Stingers if they hope to finish first in the very competitive OQIFC. Coach Skip Rochette will again be looking to quarterback Colin Anderson, receivers Gerry Prud'homme, Jacques Plourde and Dan Pavlicik and running back, Mark Simpson to lead the offence.

ANNUAL RUN

Pre-game festivities will feature the annual Sir-George/Loyola run. This year the race will include a division for the over 40, as well as relay races for Student Associations. A contingent from Police Station 25 will also run. The race is open to all students, staff and faculty of Concordia University. Departure is from the Hall Building on de Maisonneuve at 12 noon.
